

2009 ISBI Dues Increase

An across the board dues increase was approved by the General Assembly at the 14th Congress held in Montreal, Quebec, Canada in September 2008.

The dues will be increased as follows:

High Income Countries:

Physicians, PhD: \$150.00

All others: \$ 75.00

Low Income Countries:

Physicians, PhD: \$75.00

All others: \$50.00

In addition, high and low income country designations were updated based on the 2008 World Bank rankings. This update occurs every 2 years. A detailed list of each country's ranking can be found on the membership application.

The changes in dues will be reflected in your 2009 Dues Statement.
